

TICKET/SEASON TICKET REFUND OR COMPENSATION REQUEST FORM

Dear passenger,

By using this form and ticking the relevant box, you can submit both a request for refund of your ticket/season ticket, and a request for compensation for train delays, as well as compensation for PRM: if you want a refund, please fill in every part of the form and submit it to the ticket office at the departure station or at the one where your journey was interrupted. If, instead, you want to request compensation for a train delay, submit it to the ticket office at the arrival station.

If you are the holder of a yearly season ticket and are no longer interested in travelling, remember to attach the original season ticket to the refund application (except for passes issued in PDF format).

The ticket office will issue a receipt to certify that the application has been filed.

The form can also be sent by ordinary mail to the relevant Regional Management Office (*).

We also wish to remind you that your request for refund or compensation for delay can also be submitted via the *webform* available at trenitalia.com.

For further information, refer to "General Conditions of Transport for Trenitalia Passengers, Part III - Regional Transport", available at trenitalia.com
